(a real estate investment trust constituted on 27 March 2015 under the laws of the Republic of Singapore)

**CLOSE OF PRIVATE PLACEMENT AT AN ISSUE PRICE OF US\$0.830 PER NEW UNIT**

**1. Introduction**

Further to the announcement dated 19 June 2017 (the "**Announcement**") in relation to the launch of the placement of new units ("**New Units**") at an issue price of between US\$0.817 and US\$0.842 per New Unit (both figures inclusive) in Manulife US Real Estate Investment Trust ("**Manulife US REIT**") (the "**Private Placement**"), Manulife US Real Estate Management Pte. Ltd., in its capacity as manager of Manulife US REIT (the "**Manager**"), wishes to announce that the Private Placement has been over-subscribed. The issue price has been fixed at US\$0.830 per New Unit and the Upsize Option (as defined in the Announcement) has been exercised, increasing the gross proceeds from US\$60.1 million to US\$80.5 million, with a total of 97,003,000 New Units (including the Upsize Option) to be issued pursuant to the Private Placement. DBS Bank Ltd. as the lead manager and underwriter in relation to the Private Placement (the "**Lead Manager and Underwriter**"), has in consultation with the Manager, closed the books of orders for the Private Placement on 20 June 2017.

**2. Issue Price**

A total of 97,003,000 New Units will be issued at an issue price of US\$0.830 per New Unit (the "**Issue Price**"), as agreed between the Manager and the Lead Manager and Underwriter following an accelerated book-building process pursuant to a price determination supplement entered into on 20 June 2017.

DBS Bank Ltd. was the Sole Financial Adviser and Issue Manager for the initial public offering of Manulife US Real Estate Investment Trust (the "**Offering**"). DBS Bank Ltd., China International Capital Corporation (Singapore) Pte. Limited, Credit Suisse (Singapore) Limited and Deutsche Bank AG, Singapore Branch were the Joint Bookrunners and Underwriters for the Offering.

The Issue Price represents a discount of:

- (i) 6.9% to the volume weighted average price (“**VWAP**”) of US\$0.8917 per unit in Manulife US REIT (“**Unit**”); and
- (ii) (for illustrative purposes only) 3.5% to the adjusted VWAP<sup>1</sup> of US\$0.8597 per Unit, for trades in the Units done on Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) for the full Market Day<sup>2</sup> on 19 June 2017, being the date on which the placement agreement was entered into between the Manager and the Lead Manager and Underwriter (the “**Placement Agreement**”).

The Private Placement was well over-subscribed with strong participation from new and existing institutional investors. As a result, the Upsize Option was exercised, increasing the issue size from US\$60.1 million to US\$80.5 million. The demand was dominated by long-only institutional investors, which took up over three-quarters of the placement with the balance placed to private wealth clients and multi-strategy funds.

The gross proceeds from the Private Placement amount to US\$80.5 million.

### **3. Listing of, Dealing in and Quotation of the New Units**

The trading of the New Units on the SGX-ST is currently expected to commence at 9.00 a.m. on 29 June 2017.

The Manager will make a formal application to the SGX-ST for the listing of, dealing in, and quotation of, the New Units on the Main Board of the SGX-ST. An announcement will be made upon the receipt of such in-principle approval from the SGX-ST.

The Private Placement shall be subject to certain conditions precedent more particularly set out in the Placement Agreement, including the receipt of the approval in-principle of the SGX-ST for the listing of, dealing in, and quotation of, the New Units on the Main Board of the SGX-ST.

BY ORDER OF THE BOARD

Jill Smith

Chief Executive Officer

---

1 The Adjusted VWAP is computed based on the VWAP of all trades in the Units on the SGX-ST for the Market Day on 19 June 2017 (being the Market Day on which the Placement Agreement was signed) and subtracting 3.2 US cents per Unit (which represents the mid-point of the range of the Advanced Distribution (as defined in the Announcement)). This amount is only an estimate based on information currently available to the Manager and the Manager’s estimate of Manulife US REIT’s revenue and expenses (including estimated and pro-rated performance fees payable to the Manager), and the actual Advanced Distribution may differ.

2 “**Market Day**” refers to a day on which the SGX-ST is open for securities trading.
